Company Policy Regarding CPNI

OTZ TELEPHONE COOPERATIVE, INC. may use, disclose, or permit access to CPNI for the purpose of providing or marketing service offerings among the categories of service (*i.e.*, local, long distance, and CMRS (wireless)) to which the customer already subscribes from OTZ TELEPHONE COOPERATIVE, INC., without customer approval.

OTZ TELEPHONE COOPERATIVE, INC. may, subject to opt-out approval or opt-in approval, use its customer's individually identifiable CPNI for the purpose of marketing communications-related services to that customer. OTZ TELEPHONE COOPERATIVE, INC. may, subject to opt-out approval or opt-in approval, disclose its customer's individually identifiable CPNI to its agents and its affiliates that provide communications-related services for the purpose of marketing communications-related services to that customer. OTZ TELEPHONE COOPERATIVE, INC. may also permit such persons or entities to obtain access to such CPNI for such purposes.

Except for use and disclosure of CPNI that is permitted without customer approval or for marketing as described above, OTZ TELEPHONE COOPERATIVE, INC. may only use, disclose, or permit access to its customer's individually identifiable CPNI subject to opt-in approval. Accordingly, OTZ TELEPHONE COOPERATIVE, INC.'s personnel are trained in the appropriate use of CPNI for such purposes.

OTZ TELEPHONE COOPERATIVE, INC. will notify (Form 10) the FCC in writing within five days of any instance when its opt-out policies did not work properly, to such a degree that the customer's inability to opt-out is more than an anomaly.

In this effort, the Company must follow all applicable FCC rules as contained in Subpart U – Customer Proprietary Network Information – of Part 64 of Title 47 of the Code of Federal Regulations. Specific OTZ TELEPHONE COOPERATIVE, INC. procedures are as follows:

BUSINESS CUSTOMER EXEMPTION

If a business customer of OTZ TELEPHONE COOPERATIVE, INC. has in place a contract for service with OTZ TELEPHONE COOPERATIVE, INC. that specifies:

- (1) a dedicated OTZ TELEPHONE COOPERATIVE, INC. account representative as the primary contact,
- (2) who can be reached without going through a call center, and
- (3) OTZ TELEPHONE COOPERATIVE, INC.'s protection of that business customer's CPNI,

then OTZ TELEPHONE COOPERATIVE, INC.'s authentication policies and procedures do not apply to that business customer. Specifically, the customer does not need to provide a password or the correct response to a back up means of authentication prior to the dedicated account representative discussing call detail CPNI with that customer during a customer-initiated telephone contact.

In the event that the dedicated account representative is unavailable for a customer-initiated telephone contact, a primary and a secondary account representative have been established by OTZ TELEPHONE COOPERATIVE, INC.. Either one of these may discuss call detail CPNI with the business customer during the period of unavailability of the dedicated account representative.

ACCESS TO CPNI DATA

Access to CPNI data is limited to employees or entities with the requisite proper authorization as allowed by FCC rules. Any employees or entities with CPNI access must operate under policies that require nondisclosure of confidential information. Improper use or disclosure of CPNI by employees is subject to disciplinary action up to and including termination.

Marketing Programs

OTZ TELEPHONE COOPERATIVE, INC. occasionally uses CPNI to target its marketing campaigns. OTZ TELEPHONE COOPERATIVE, INC. may use either opt-out or opt-in (Form 8-W) approval in determining its target customers.

Contact the Chief Executive Officer if you are uncertain as to the type of information you can use in marketing services to customers.

CUSTOMER NOTICE AT INITIATION OF SERVICE

Customers are informed during the initiation of service with OTZ TELEPHONE COOPERATIVE, INC. that their CPNI data is not used for marketing purposes. Customers receive annual reminders (Form 8-W or Form 8-WO) of this CPNI policy.

CUSTOMER NOTICE

Adequate notice with respect to customer CPNI rights and OTZ TELEPHONE COOPERATIVE, INC.'s duty to protect CPNI is provided in OTZ TELEPHONE COOPERATIVE, INC.'s telephone directory. In addition, a CPNI notice is printed periodically on the customer's billing statement.

RECORD OF CUSTOMER COMPLAINTS CONCERNING THE UNAUTHORIZED RELEASE OF CPNI

All customer complaints concerning the unauthorized release of CPNI will be logged (Form 9) and retained for a period of five years. This information is summarized and included with OTZ TELEPHONE COOPERATIVE, INC.'s annual certification to the FCC.

Release of Call Detail Information (Forms 7-W or 7-WO & 8-W or 8-WO)

CUSTOMER INITIATED TELEPHONE ACCOUNT ACCESS

Release of any CPNI information requested by the customer via a telephone call is prohibited except when:

- the requesting individual provides the password of record; or
- the information will be sent via mail USPS to the customer's address of record; or
- OTZ TELEPHONE COOPERATIVE, INC. will call the telephone number of record and disclose the call detail information.

If the customer has forgotten their password or does not have a password established, OTZ TELEPHONE COOPERATIVE, INC. can proceed with routine customer care procedures if the customer can provide all of the call detail information. OTZ TELEPHONE COOPERATIVE, INC. will not disclose any call detail other than the information the customer disclosed during that particular contact.

RETAIL LOCATION ACCOUNT ACCESS

Customers or their authorized contacts as allowed by the Telecommunications Act of 1996 – Section 222(c)(2) must have a valid, government issued photo identification, such as a driver's license, passport, or comparable ID to obtain CPNI information.

ON-LINE ACCOUNT ACCESS

OTZ TELEPHONE COOPERATIVE, INC. requires an on-line password to protect on-line access to CPNI. Passwords will be designed by the customer and will consist of alpha and numeric characters. On-line passwords are not required if the customer chooses to receive call detail information via either of the two methods above.

OTZ TELEPHONE COOPERATIVE, INC. will authenticate both new and existing customers seeking on-line access to their CPNI.

OTZ TELEPHONE COOPERATIVE, INC. can reinitialize existing passwords for on-line access but will NOT base on-line access on readily available biographical or account information. This procedure will relate to all customer information, not just call detail.

On-line access to CPNI will be blocked after four (4) unsuccessful attempts to log on.

NOTIFICATION OF ACCOUNT CHANGES

OTZ TELEPHONE COOPERATIVE, INC. will notify (Form 5) any customer immediately of any account changes including password, customer response to company designed back-up means of authentication, on-line account, address of record, and any other record that may be

created or changed. This notification will be through a voicemail or by USPS mail to the address of record as it was prior to the change.

New customers are exempt from this notification at service initiation.

PROCEDURES TO PROTECT AGAINST PRETEXTING

Pretexting is the practice of pretending to be a particular customer or other authorized person in order to obtain access to that customer's call detail or other private communications record. The Company has employed the above procedures and safeguards in order to achieve reasonable measures designed to discover and protect against pretexting.

Annual Certification

OTZ TELEPHONE COOPERATIVE, INC. will certify annually (Form 2) compliance to the CPNI rules. This certification will be filed with the FCC and will be made publicly available by request.

If such direction is given, the agency shall notify OTZ TELEPHONE COOPERATIVE, INC. when it appears the public disclosure or notice to affected customers will no longer impede or compromise a criminal investigation or national security.
